New Beginnings: Helping Your Chapter Grow

9:00 a.m. – 10:45am

March 30, 2006

a leadership workshop presented by

ΣΤΔ Student Advisors, Student Representatives, and Associate Student Representatives

Learn from Sigma Tau Delta's most successful chapters!

"Outstanding" chapter members and faculty sponsors will lead workshop sessions that help your chapter stay active and grow. All students and faculty sponsors interested in chapter development and leadership are welcome to participate; current and future officers are especially encouraged to join!

- **Fundraising**—Learn about the essential elements of fundraising and get "helpful hints" for implementing a successful fundraiser.
- **Service**—Meet the "experts" who have organized successful (and fun!) service-oriented activities and brainstorm about activities that will work for your chapter (no matter how small or how big!).
- **Motivation & Recruitment**—Learn strategies for recruiting new members and motivating all members to be more involved.
- **Chapter Administration**—Get the "inside scoop" on how to develop and maintain a successful chapter. Learn strategies on conducting productive meetings, electing good officers, and fostering chapter enthusiasm and participation.
- **Regional & National Involvement**—Find out what it means to serve ΣΤΔ on the national level as a Student Advisor and on the regional level as a Student Representative or Associate Student Representative.

There are two breakout sessions—two opportunities to attend the sessions you want!
